

FIVE WAYS TO MAKE PLEDGE PAYMENTS TO UUCT

PLEASE CHECK ONE OF THESE CHOICES UNDER "PAYMENT METHOD"
ON THE REVERSE OF THIS FORM

Payment Through the UUCT / Vanco Website

Direct payment through the UUCT website is fast, easy, safe, convenient and reliable. Just log on to the site at www.uutallahassee.org. You will see a green "Donate" button at the upper right of the menu bar. That takes you to a page with the blue Vanco button at the bottom center. Vanco is the provider that UUCT uses for online giving. Then just follow the prompts at the Vanco portal to create a secure online profile with all needed giving information.

Your bank account is automatically debited in the amount and on the date you specify. The funds are transferred electronically to the UUCT bank account. You can pay weekly, monthly or one-time. Vanco lets you stop or change your online giving instantaneously.

This method is good for all of us. It is completely secure; involves no checks; automatically creates an electronic trail of your donations that you can access 24/7 – a real convenience at tax time (no waiting for your quarterly donation statements); and costs the church just pennies per transaction.

Payment Online Using Bank-Generated Check

You can authorize your bank or credit union to automatically print and send monthly checks to UUCT drawn from your account. Banking institutions generally offer this service at little or no charge.

This method is convenient for the donor and cost-free to the church. But stopping or changing your online bank payment is only possible during banking hours and may involve additional delays. Rarely, also, bank-generated checks are lost in the mail.

Payment by Personal Check or Cash

You can make donations and pledge payments with personal checks or cash. Always note on the check memo line or cash envelope whether the check or cash is for your pledge. Be sure to record the pledge year for your donation. For example, "Pledge 2016-17" or "Pledge 2017-18." Donation envelopes are at the rear of the sanctuary. Place your checks or cash envelopes in the collection plate or in the slotted and locked black metal mailbox in the vestibule (beneath cubbyholes).

Payment by Credit Card

You can make your pledge payments by credit card through the Vanco donation portal at the UUCT website, www.uutallahassee.org. Credit card companies charge us transaction fees. If you pay by credit card, please consider adding 3% to your donation to help defray these fees.

Payment with Stock

You can pay your annual pledge to UUCT with stock. If you choose this method, please specify the company, number of shares, approximate value, and planned date of donation. Contact VP for Finance Ev Anderson at ev1945@gmail.com or (850) 386-7525 for details about how to complete your stock pledge.
