

FIVE WAYS TO MAKE PLEDGE PAYMENTS TO UUCT

PLEASE CHECK ONE OF THESE CHOICES UNDER "PAYMENT METHOD"
ON THE REVERSE OF THIS FORM

Payment Online Using Bank-Generated Check

Through Billpay at your bank or credit union, you can authorize your institution to automatically print and send monthly checks to UUCT drawn from your account. **This method is cost-free to you and to UUCT.**

Payment by Personal Check or Cash

You can make donations and pledge payments with personal checks or cash. Always note on the check memo line or cash envelope whether the check or cash is for your pledge. Be sure to record the pledge year for your donation. For example, "Pledge 2017-18" or "Pledge 2018-19." Donation envelopes are at the rear of the sanctuary. Place your checks or cash envelopes in the collection plate or in the slotted and locked black metal mailbox in the vestibule (beneath mail cubbyholes).

Payment by Bank Withdrawal Through the UUCT / VANCO Website

Direct payment through the UUCT website is fast and reliable. Just log on to the site at www.uutallahassee.org. You will see a green "Donate" button at the upper right of the menu bar. That takes you to a page with the blue Vanco button at the bottom center. Vanco is the partner that UUCT uses for electronic giving. Then just follow the prompts at the Vanco portal to create a secure online profile with all needed giving information.

The funds are withdrawn from your bank account in the amount and on the date you specify. Your donations can be recurring, one-time, or intermittent. The funds are transferred electronically to the UUCT bank account as an ACH (automatic clearing house) transaction. **Vanco assesses a charge of \$0.25 plus 9/10 of 1% for each ACH transaction. Consider adding 1% to your donation if you use Vanco's ACH deposit method.**

Payment by Credit Card Through VANCO

You can make your pledge payments by credit card through the Vanco donation portal at the UUCT website, www.uutallahassee.org. (These are MS or Merchant Services transactions). **Vanco assesses a combined merchant and Vanco charge of \$0.45 plus 2.75% for each MS transaction. If you pay by credit card, please consider adding 3% to your donation to help defray these fees.**

Payment with Stock

You can pay your annual pledge to UUCT with stock. If you choose this method, please specify the company, number of shares, approximate value, and planned date of donation. For information on how to make stock donations to UUCT, contact stewardship@uutallahassee.org.
